THE FRAGRANCE OF LIFE

OUR MONTHLY BULLETIN

The Power of the Prayer of Faith

The Lord Jesus commissioned His church to go into the world and share the good news of salvation with everyone. This is such a tremendous task and we need His enabling grace and power to fulfil this mandate. We connect to God's grace and power in the place of prayer. As we read the Bible, we see the tremendous power and divine support that is available to us when we go to God in sincere and heartfelt prayer.

It was through prayer that Elijah shut up the heavens and it did not rain for many days (James 5:17). It was through prayer that our Lord Jesus Christ received divine strength to go to the cross despite the shame and the pain (Luke 22:42-44). It was in the place of heartfelt expectation and prayer that the early church received the wonderful gift of the Holy Spirit (Acts 2:1).

Prayer made in faith and in the Name of Jesus Christ can produce outstanding results and change our situation for good. We experience divine intervention and mercy when we stand in the gap for our families, our church, our communities and for the nations. God is looking for people who will stand in the gap for the land (Ezekiel 22:30). Will you be that child of God who will stand in the gap today?

Praying the Right Way

Here are some important principles to consider when we come to God in prayer.

1. In the name of Jesus.

"If you shall ask anything in My Name, I will do it" John 14:14

As we stand on the authority of our Lord Jesus Christ, in the place of prayer, we have the assurance that whatever we ask we receive because He is the Lord of all.

2. Believing that we will receive.

"Therefore, I say to you, whatever things you ask when you pray, believe that you receive them, and you will have them."
Mark 11:24

Our faith in God is necessary for us to receive the answer to our prayers. This is why we need to base our prayers on the irrefutable word of God - the Bible. The Bible is the proof of the providence and capability of the One to whom we make our petitions.

3. In the Spirit.

"Likewise, the Spirit also helps in our weaknesses. For we do not know what we should pray for as we ought, but the Spirit Himself makes intercession for us with groanings which cannot be uttered." Romans 8:26

As humans, we cannot know all the intricacies and details involved in getting our prayers answered. Thank God, we have been given access by the baptism of the Holy Spirit to speaking in tongues. This is a wonderful gift given to us as it enables us to pray through the assistance of the Holy Spirit who knows all things.

4. Pray until something happens

"Then Jesus told his disciples a parable to show them that they should always pray and not give up" Luke 18:1

After we have made our petitions, we must sustain endurance in the place of prayer. Let us never get tired of praying. If we persist, we will receive our answers in prayers.

It is time to cultivate our relationship with the Lord in the place of prayer.

God bless us as we do so in Jesus' Name,
Pastor Edwin.

How to know the will of God

Written By: Pastor David Holdaway

Finding our purpose in life is crucial for us as citizens of God's Kingdom. Regrettably, lots of people look to different sources to try and find their purpose in life. The only true way to discover our purpose in life is to find it in our Maker and Creator.

This book teaches us how to discover God's will for our lives. We will begin to discover the true purpose of our lives as we walk in the path of willing obedience.

DESERT OASIS

A Joyful 'toon by Mike Waters

Wherefore do ye spend money for that which is not bread? and your labour for that which satisfieth not? hearken diligently unto me, and eat ye that which is good, and let your soul delight itself in fatness.
